INTER-OFFICE CORRESPONDENCE

FROM Mr. W. H. Liddicoat  
LOCATION Columbia Falls  
SUBJECT Deed to Property

TO Mr. E. C. Tatgenhorst  
LOCATION Louisville  
DATE May 5, 1966

Mr. Smith asked me to answer your letter dated April 28, 1966.

The property was purchased through a third party for confidential reasons. We were requested by Mr. Clare, local real estate agent who handled this transaction for us, to hold the Warranty Deed until September 1, 1966 before having it recorded. The deed is complete except for recording and is being stored in a locked drawer in our safe. Under the circumstances we should have the deed recorded as requested and will forward it at that time.
